Chandanadi Tel

Flavoured Pravek-T™ Herbal Slimming Tea

Chandanadi Tel is formulated on the basis of Yogratnakar, the ancient Ayurvedic Treatise. It is produced from a blend of several time-tested herbs in Murchhit (Purified) Til Oil. Chandanadi Tel is noted for being an excellent body massages oil, especially for infertile women. This is because it stimulates the nerves, strengthens the muscles, removes any burning sensation as well as increases vigour and vitality. Moreover, it acts as a remedy for Tuberculosis and Jaundice associated fever. And that's not all, anti-septic and anti-inflammatory agent while providing cooling, soothing and aromatic effects.

Dosage

Apply an adequate quantity of Chandanadi Tel on the affected part and gently massage till it is absorbed. Or as directed by the physician

Important Advice

For better results, keep a gap of minimum one hour between massage and bath.

Indications

- Body weakness
- Body pain
- Lack of vigour & vitality
- Feverile conditions prevalent with tuberculosis & jaundice
- Common skin diseases especially for chronic fever etc.
